

Booking Protect

Description

[Booking Protect](#) is a global refund protection specialist, helping you to increase customer satisfaction while delivering an additional revenue stream. Their refund protection is integrated into our platform, meaning offering your customers the opportunity to purchase ticket protection during the checkout process couldn't be simpler!

And with some of the world's most flexible and comprehensive cover, you can rest assured that your customers are protected against whatever might prevent them from using their booking.

Paired with award-winning customer service rated 'Excellent' on Trustpilot, and market-leading technology, they can deal with customers in any language, anywhere in the world, taking the stress of refunds out of the hands of your box office. All whilst giving your customers an exceptional experience.

Typology

Insurance
