

Ticketac - Groupe Le Figaro

Description

The Figaro Group, which operates [Ticketac](#) and [Le Figaro Billetterie](#) platforms, is a specialist in online ticketing (live entertainment, parks, guided tours, etc.).

Ticketac has a real-time interface with SECUTIX which improves the experience of your visitors by allowing them to choose their seats on the seating plan when making a reservation.

As a venue, you can easily manage your inventory and follow your sales through their distribution network.
