

SecureMyBooking

Description

[SecureMyBooking](#) allows you to offer your customers a ticket with a clear refund policy ,giving them peace of mind when booking.

Their programme reimburses customers the full cost of their ticket purchase, including all fees, if they cannot make their booked event for any of the covered reasons including COVID-19.

SecureMyBooking has worked with SECUTIX to provide the option for users easily to include the cover as an optional extra in their online ticket purchase process.
