Cash drawer (DT105U)

1) Windows

You need to install drivers from the CD (delivred with the device)

Or get them here PROG0077.zip (on some restricted environments, you may also need this one: tiroir caisse.zip)

(older version, just in case: PROG0061.zip)

Check the flow Control = Hardware

2) Configure in SecuTix

Welcome to SecuTix™
